

# IDEAL INSTITUTE OF TECHNOLOGY

(Approved by AICTE, New Delhi & Affiliated to JNTUK, Kakinada)

**Accredited by NAAC with A<sup>+</sup>**

VIDYUT NAGAR, KAKINADA - 533003. (A.P.)

## **6.5.2 The institution reviews its teaching learning process, structures & methodologies of operations and learning outcomes at periodic intervals through IQAC set up as per norms and recorded the incremental improvement in various activities**

The college emphasizes academic excellence through the meticulous maintenance of course files for each department. These files contain crucial components such as the course syllabus, teaching plans, unit-wise questions, a question bank, and subject materials. Additionally, he monitors adherence to the timetable, evaluates the relevance of topics, and assesses student understanding.

Faculty members are responsible for tracking assignment submissions and organizing seminars and quizzes. Regular monthly meetings are held to assess progress, leading to notable improvements in faculty performance and teaching standards.

To bridge the gap between slow and fast learners, the IQAC has introduced a strategic plan to maintain equitable academic standards. This includes conducting internal assessments to identify slow learners and offering remedial classes, where fast learners share effective study strategies with their peers.

These initiatives have gradually narrowed the gap between slow and fast learners, fostering stronger relationships among students and creating a more inclusive and supportive learning environment. This approach has contributed to the overall enhancement of the college's academic culture.
